***DRAFT CEASE AND DESIST ORDER AND CONNECTION BAN, NAPA BERRYESSA
RESORT IMPROVEMENT DISTRICT, NAPA COUNTY***

Due to the Napa Berryessa Resort Improvement District's (Discharger's) violations of Waste Discharge Requirements Order No. 95-173, Regional Water Board staff have prepared the enclosed draft Cease and Desist (C&D) Order. The draft Order sets forth an enforceable scope and schedule for completion of technical studies to determine solutions for the ongoing violations of the WDRs. This draft Order also prohibits new hookups to the WWTP because the Discharger is not able to dispose of the volume of influent at the facility in compliance with the WDRs. This connection ban would apply to entities who have not been issued a building permit prior to the date of the Notice of Public Hearing.

Any comments or evidence you may have concerning the enclosed draft Order must be submitted to this office by **29 September 2006**. The Regional Water Board will consider adoption of this Order at its 26/27 October 2006 meeting.

If you have any questions or wish to meet to discuss the draft Order, please call Guy Childs at (916) 464-4648.
